FISCAL NOTE

HB 121 - SB 444

February 10, 2013

SUMMARY OF BILL: Adds certain qualification requirements to the Office of Constable in Sevier County. Candidates will be required to have at least one year of full-time experience as a Peace Officer Standards and Training (POST) commission certified law enforcement officer, or have experience as a state or federal certified law enforcement officer with equivalent training with certification by a Tennessee licensed health care provider as being free from any disorder that would impair the candidate's ability to perform any essential function of the job.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- According to the Department of Commerce and Insurance, these added qualification requirements would require addition forms and expenses associated with postal correspondence with the Sevier County election commission; however, any cost can be accommodated within existing resources without an increased appropriation or reduced reversion.
- According to the Department of State, this bill will not result in an increase in state or local expenditures associated with elections.
